

## School Supply Update for Grades K-12

For the 2018-2019 School Year, the Laurens Central School District will be purchasing the following items for students in grades K-6. Parents will not be responsible for the following items and they have been removed from class supply lists:

- Glue Sticks
- Highlighters
- Dry Erase Markers
- #2 Pencils
- Pocket Folders (all colors)
- Rulers
- Scissors
- Erasers
- Scientific Calculators (6th Grade Only)

Following you will find the updated list for school supplies students will need for the 2018-2019 school year. In an effort to help students better organize their school work we are using a color coded system. Each subject area will be identified by color; meaning that if a child needs a pocket folder or three ring binder for a particular subject, the color of those supplies will need to be as listed below.

Our teachers have been asked to create their supply list with this organizational tool in mind. We hope that you will find this to benefit your child and reduce the cost of school supplies.
