Laurens Central School District
Letter to Parents for School Meal Programs
Special Provision Options (Provision 2 Non-Base
Year & Community Eligibility Provision)

Dear Parent or Guardian:

We are pleased to inform you that the Laurens Central School District has implemented a meal certification option to our school participating in the National School Lunch and School Breakfast Program called the **Community Eligibility Provision (CEP)**.

What does this mean for your child(ren) attending the school(s) identified above?

All students enrolled at Laurens CSD are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2023 - 2024 school year. Please complete the Household Income Eligibility Form that is included with this letter.

What is the Household Income Eligibility Form?

The form collects basic information about your learner so our school can determine if they would otherwise be eligible for free or reduced-price breakfast/lunch. It is important for EVERY family to fill out this form because doing so helps bring much-needed additional money and services directly to our school! This form must be submitted each year. Forms can be completed and returned to school with your student to the attention: Beth West, Cafeteria Manager, bwest@laurens.org.

If all meals are free, why do we have to complete this form?

School districts receive funding from the state and federal governments. For each learner who would otherwise qualify for free or reduced-price breakfast/lunch, schools receive additional dollars in funding. Even a small increase in completed Household Income Eligibility forms collected results in significantly more money to support our learners and schools.

What if my child doesn't want to eat school breakfast/lunch? Why should I fill out the form?

Even if your child chooses to bring their own breakfast/lunch or snack or if they eat lunch at home, filling out the form is very important! It ensures that our school gets all of the funding and benefits available. Also, even if your child does not eat school breakfast/lunch, learners who would otherwise qualify for free breakfast/lunch can receive benefits, including reduced fees for SAT and ACT tests, reduced college applications fees, discounts on Chromebook Warranty, and discounts on monthly internet services and computer purchases.

How does filling out the Household Income Eligibility Form help our school?

Schools qualify to receive more money per learner from the state and federal government and receive more money in their budgets to support learners.

What if I still have questions?

We are happy to hear from you if you still have questions. Please contact Cafeteria Manager, Beth West at 607-432-2050 or email bwest@laurens.org. We thank you for your continued support!

Sincerely,

Beth West
Cafeteria Manager
